

# Tower Hamlets EBP Volunteering Opportunities

**Tower Hamlets Education Business Partnership** is a leading education charity that bridges the gap between young people and the world of work. By working with employers, we deliver activities that enable students to learn more, do more and become more; building their confidence and key employability skills.

## Support us!

Below is a schedule of up and coming volunteering opportunities on **our Employability, Enterprise and Financial Skills events**. Volunteers support a small group of students as they work through the workshops and activities. To volunteer simply select an event and date and email our Volunteer Engagement Coordinator. If you have any questions about a particular project or programme, please do not hesitate to email or call.

**We welcome teams of volunteers as well as individuals. Events require no or little preparation – volunteers need to bring nothing and to dress as they would for the office. Volunteers also do not need to undergo a DBS background check. No prior training is required. All events are chaired by Tower Hamlets EBP.**

Overview of THEBP Programmes and Events	
Events	Description
Getting Ahead: Employability Conference	Employability skills conferences. Students work through various activities, each one covering a key skill or employability concept. Skills and concepts covered include first impressions, employer expectations, team work, applying for a job, CVs and Application Forms, interview skills, and so on. One of our 'Flagship' programmes!
Head to Head - Practice Interview Programme	A practice interview programme for pupils in secondary school or college. Volunteers are asked for a half or full day commitment to conduct individual mock interviews with pupils, giving constructive feedback after each interview. One of our 'Flagship' programmes!
Enterprise Skills Event	Events that focus on the 'soft skills' that students will need in the future such as: leadership, communication, presentation, resilience, ability to take advantage of opportunities, negotiation, persuasion, creative thinking and critical thinking.
Financial Skills Event	Activities and events that are designed to improve the financial knowledge, understanding and capability of young people. This could be a basic introduction to budgeting, students finance, banking terms and accounts, protecting yourself and your money online, etc.
Aspirational Events	Workshops that inspire and encourage 16 to 18 year old students to think about the future. These include applying for University, alternatives to higher education, careers days, etc.

If you would like to support one or more of our events, or have any questions please contact:
